

Violence and Active Shooter Training

**Are you ready to respond to a violent incident in your program?
Being ready does not have to be scary.**

Join CCRC and Institute for Childhood Preparedness for a interactive training developed specifically for child care providers. Training is grounded in real-world evidence and features hands on exercises.

Course will include topics on:

- Risk assessment
- Developing an Action Plan
- Drills
- Lock Down Protocols
- What to Expect: Law Enforcement Response Tactics

Participants will leave this course feeling more confident and able to say
“I am not scared, I am prepared!”

Classes are offered **FREE** of charge with funding from California Department of Education.
