

CA Child Care Preventive Health & Safety Classes

Are you seeking your child care license? Are you moving your child care facility? Are you interested in a refresher course to support the health and safety of children in your child care program?

Classes are EMSA-approved and meet the 8-hour Preventive Health & Safety requirement needed to become licensed by Community Care Licensing (CCL).

In this interactive class, topics will include:

- Preventing injuries in a child care setting
- Preventing childhood illnesses
- Immunization requirements
- Implementing a health policy
- Developing written nutrition policies
- Food safety
- Food allergies
- Information about the Child and Adult Care Food Program (CACFP)

Classes are offered **FREE** of charge with funding from California Department of Education.

Each attendee
will receive a
FREE GIFT
