

**FREE
CLASS**

CA Child Care Preventive Health & Safety

January 27, 2020
9:00am - 5:30pm

OPTIONS FOR LEARNING | 13100 Brooks Drive, Suite 100, Baldwin Park, CA 91706

In this interactive training participants will learn:

- Immunization requirements and best practices for preventing the spread of infectious diseases
- Safety policies and procedures to prevent injuries
- Nutrition laws and regulations for child care programs

Classes are EMSA-approved and meet the 8-hour Preventive Health & Safety requirement for Community Care Licensing.
