

Health and Safety in Child Care Settings during the COVID-19 Pandemic

May 14, 2020 - 1:00pm-2:30pm
May 19, 2020 - 6:00pm-7:30pm

May 21, 2020 - 9:00am-10:30am

During this web-based training, providers will:

- Discuss guidelines for social distancing within the child care setting.
- Identify strategies to slow the spread of COVID-19 while continuing care.
- Learn how to minimize the risk of spreading COVID-19 through proper disinfecting and hygiene techniques.
- Receive free resources to help keep yourself, children, and staff healthy during the COVID-19 Pandemic.

Live Q&A Session with our Health and Safety Experts.
